FREQUENTLY ASKED QUESTION

How does my contribution help?

Your donation stays with and directly benefits YOUR medical center to help purchase items not otherwise covered through the operating budget, like medical equipment that needs to be replaced or upgraded, clinical education and training, new and improved technology, and so on.

Is my donation tax-deductible?

Yes! Your donation is tax-deductible to the extent permitted by law. In accordance with the IRS tax guidelines, the fair market value (FMV) of your thank-you gifts may be subtracted from your donation on your annual giving statement, depending on the amount of your contribution and benefits received. For details, please consult your tax advisor.

If your total annual donation is \$250 or more, you will automatically receive a letter in January for tax purposes; for donations less than \$250 per year, we are happy to send you a tax substantiation letter upon request.

If I donate through payroll deduction, can I change or stop my contribution?

Absolutely – while we hope that you will continue your donation for at least a year, you are free to make changes at any time. If you would like to make a change to the amount, or to stop your payroll deduction, please contact the Foundation at 310-303-5340 and we will be glad to take care of your request.

Thank you for your commitment and support – you truly make a difference!
